The screenshot shows the website elnpartner.co.uk/projects/eustore/. The navigation menu includes: eln, Learning, Projects, Links, About, and Contact. The main heading is **EuStoRe**. The text describes the project's aim to build an inventory of high quality online OERs. It lists two objectives: (a) To create open learning scenarios for the future and (b) To rate existing open learning activities and resources. It also mentions integration with the European Learning Network and Community standards.

The screenshot shows the Facebook page for EuStore.UK. The page features the EU-StoRe logo at the top. The main content area displays two posts: one from June 27th titled "EU-STORE Policy paper being discussed" with a photo of a meeting, and another from June 20th titled "EU-STORE concept discussed and presented during WUKED meeting." The right sidebar shows the page's "Education" category, 40 likes, and an "ABOUT" section with links for address, phone, hours, and website. A "PHOTOS" section is also visible at the bottom.
